The undersigned Club President understands that in order for a Club to nominate a student to the Rotary International District 5100 Youth Exchange Program, the Club must host at least one student for each student nominated. This obligation to host is incurred at the time the nomination is submitted to the District Youth Exchange Committee, and continues even though the student may resign or otherwise be removed from the program. It is not necessary to nominate a student in order to host a student. The Club Youth Exchange Officer is responsible to assist the Outbound Candidate with completing the official Long-Term Application, due November 15, 2024. The candidate will then be sent a link to the application in the YEAH system. It takes at least one month for the student to complete the final application. Therefore,
